

LANDSCAPE BUILDER

Field Outdoor Spaces is an established leader in Minneapolis and St Paul in high quality residential landscaping. We have been in business for 19 years and own a great shop space in NE. If you love working outdoors, building with your hands, and the camaraderie of a good team, we think you might be a good fit here. Some landscaping jobs don't make good careers, but at field we are an employee first company that is working hard to train well, address how to keep our bodies healthy, and pay a living wage.

WHY SHOULD YOU APPLY?

- Drama-free workplace
- Experienced crew, which leads to a less stressful and more enjoyable day.
- Awesome co-workers
- We get to work on really cool jobs with great clients.
- Normalized work hours - no late evenings or weekends
- We love NE MPLS
- Competitive pay
- Health Insurance Reimbursement (\$200/month)
- Simple IRA w/ 3% Company Match
- Sick/Injured Paid Leave
- Injury Prevention: We start every day with a fitness routine that is designed to counteract the work we do to keep our bodies balanced and injury resilient. We work with a trainer who is an expert at body mechanics.
